President's Letter to the Members

Happy New Year Meadview!

Christmas is over and the winter doldrums are officially here. As the cool weather has finally arrived now is the time for important maintenance and repairs of our community facility so our maintenance crew will be busy bees for the next couple of months to ensure that all of the amenities that we enjoy, from the pool and recreational areas, to the lounge and auditorium and kitchen, will be ready to roll in the spring of 2025. As our community grows so does the usage of our facilities so maintenance and repairs are becoming a year round endeavor. Still, the time to get the lion's share of the work to be done is now so expect to see our crew working hard to keep our facilities in tip top condition.

One of the many blessings we have living in the high desert is that winter does not necessarily preclude outdoor activities. Whether you are the outdoors type or more of the indoor persuasion there is a myriad of opportunities to get involved in various clubs and MCA events this time of year. I encourage you to get involved in one of our clubs or events and get to know your neighbors!

President - Ron Balsamo

One last item worth mentioning is that the MCA has been approached by a telecom firm to erect a cell tower in town to improve service. This is an item that will require a vote by the entire community so be sure to look out for posts from the MCA as this possibility develops.~ Ron

DO YOU...

- Enjoy organizing Events & Activities?
- Have some extra time on your hands?
- Love to VOLUNTEER your time?
- Want to help protect our native plants?

The MCA Board of Governors is actively looking for **Volunteers** that can take on the following positions:

Events Planner: This person would be responsible for planning events for the Meadview Civic Association Facilities as well as gaining board approval for each event!

You could be part of bringing **FUN TIMES** back to the MCA and it's members. Our Auditorium, Member's Lounge, Kitchen, Outdoor Spaces and Sports Areas could really use more **ACTION!**

Please help plan the gatherings, activities, games, functions, parties, and more!

Let's make more GREAT MEMORIES at the MCA!

Horticultural Committee: This group of people would be responsible for creating a **educational program** for our members and the community on the importance of maintaining a **healthy native plant environment**.

The Horticultural Committee would also be responsible for bringing the Board of Governors' attention to the properties that have been completely cleared leaving no vegetation, creating a health hazard for dust, and allowing water to run off of the cleared lot into a neighbor's property, instead of soaking into our aquifer. Helping property owners to understand the **devastating effects of leveling land** would be crucial.

DID YOU KNOW? It is stated in ALL Recorded Deed Restrictions for ALL Properties in ALL Units of the Community of Meadview (including non-MCA lots) that grading and clearing shall in ALL cases be held to a **minimum**.

Completely leveling and decimating our native plants is against the CCR's and if you do so, you could be sent a letter of non-compliance and fined for not complying with the CCR's.

YES—IT IS THAT IMPORTANT!

PURPOSE...

The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.

SUGGESTIONS?

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
