## PRESIDENT'S LETTER

The Board of Governors hopes that you have all had a safe and joyful holiday and that 2016 will be bringing us all a prosperous New Year.

As an overview of the 2015 year, the MCA had some pool repair projects, and the new heating and cooling replacement for the auditorium, which as everyone agrees has made an outstanding difference.

The kitchen has a few small upgrades with two ceiling fans installed and the door to the auditorium was cut in half with a small counter top added for better convenience with serving people.

The security cameras were upgraded and one added at the pool for better coverage when children are there and two added for the parking lot give our security a 24/7 filming for protection on vandalism.

Unfortunately, the board knows that there will be two projects upcoming in the next year, they have been put off for way too long. They are the roof of the whole complex and the parking lot where the black top is cracking and the board is concerned that rather just an update if it is not fixed soon then there would be a cost of redoing the area from scratch which is extremely expensive.

There are always small things that need upgrading from time to time and we did have to upgrade the electrical both in the office and also the auditorium when the heating and air was installed.

The Board of Governors and I have maintained the concept that it is best to keep a solid sense of good strong maintenance and our staff have provided that for us over the years. I wish to remind you that we have elections in May at our annual meeting and hopefully the Board and I can look forward to many of you traveling down for that weekend and meeting you.

May we all look forward to a safe and happy New Year.

Ron King,  
President

By Suzann Newell

Pastor John Mulvihill of the Community Church introduced the newly appointed Baptist Church Pastor, Jack Schoethaler. Pastor Jack have us a short overview of his resume and he mentioned that the Meadview Christian Academy, which holds classes at the church, now has twelve students doing their schooling using the internet and three instructors.

Speakers for November included Rhoda Barr and Todd Davidson. Rhoda Barr, from the KRMC Hospice, gave a detailed presentation on what services are available in Kingman. These include the Hospice home, which provides a home away from home for those patients who have no one to care for them or who need 24/7 nursing care; general health care, day care to relieve the home caregiver for a day and counseling for the patient and the home caregiver.

Todd Davidson, Mohave County Deputy with the ERACE ( Environmental Rural Area Cleanup Enforcement) division of the Sheriff's department, spoke about investigating illegal dump sites in Mohave County. The county square mileage is over 13,000 and he had only 3 staff members so if you call to report a dump site, it may be a couple of days before the staff will be out to check this illegal site, but, they will contact you and will check out the site to find the identity of the culprits.

In December Sheriff Jim McCabe presented a very well researched power point on the budget for the Mohave County Sheriff's Department. The audience of 68 were very interested and McCabe provided answers to many questions. McCabe also provided a comprehensive list of requirements we, as 2016 voters, should be looking for in a new Sheriff. He will not be running for the office but will retire on December 31, 2016 after serving over 30 years in the Mohave County Sheriff's Dept., Search and Rescue and starting the DARE program in the county schools.

The second speaker was Mt. Tipton Elementary Principal, Deb Warren. She mentioned a number of Meadview residents and businesses who have generously donated their time, effort and money to help the students in Mt. Tipton. She mentioned the gift Tree, the money received from different bake sales, lunches and breakfasts during this past year. Money from the food sales at the Community Church during the November Craft Sale will go to help build the Desert Tortoise Sanctuary/Habitat which will be located at the school. Two residents will be providing craft instructions and material for students at their Winter Wonderland.

Ann Tribly from United Blood Services and Mary Lee Beck, NP, from our KRMC Clinic will be our Main Speakers. Tribly will be setting up blood donation clinic date here in Meadview probably in February. Our KRMC Clinic will be offering blood pressure and glucose testing at the January meeting. Everyone urge to attend. Meeting is at 10, cookies and coffee available by 9:45.

### LIBRARY NEWS

By Chris Salinsky

The Friends of the Meadview Library had a great year because we celebrated the opening of our new meeting room. To add quietness and beauty, Linda Boyden and the Red, White and Blue Quilters have been displaying their quilts. We welcome Libby Maaske who has offered to show some of her lovely puffed quilts. Please visit the extension room to see these wonderful quilts. Our membership drive starts this year at the first meeting which will January 15th at 10 a.m. We welcome everyone and a single membership is only \$3 or \$5 for a family. The dues help support literacy and the library. Already, we have three new members. The elected officers for 2016 are Nancy Hussey-President, Chris Salinsky-Vice-President, Steve Berg-Secretary, and Fran Welch-Treasurer. We thank Lois Fullmer for her many dedicated years of support and for serving as President and as Secretary of the Friends. She was very involved in getting our library off of Pueblo Street and into the Meadview Library building that we have now. She was a volunteer at the library for many years. She suggested many fundraising activities and worked behind the scenes to help us reach our goals. Lois, you are appreciated.

It was reported that our circulation of books has tripled and attendance has doubled! Many children, teens and adults are taking classes online. Tonia, the Meadview Library Representative, goes the extra mile to help these students get the books they need. Some children don't have a computer and they need books to read for book reports. If anyone can contribute some young readers, please let Tonia know. The Friends will discuss this issue and the February Sweet Treat Festival at our meeting in January.

The Kingman Library District will be offering Children and Adult programs this year. Mark your calendar for January 8th and 9th at 10 a.m. for the LEGO CLUB. The children and teens will be building LEGOS, so bring your imagination and creativity and the blocks will be supplied.

Don't forget, you can get more information on the AZ. Library Database Collection Services, you can get a library card and PIN number at the Meadview Library or any local Mohave County Library. Some of the services are student resouces, science, history, biography, National Geographic, kid's activities and many more. The Meadview Library hours are Tuesday, Thursday and Satyrday, 10 a.m. - 3 p.m.

**Friends of the Arizona Joshua Tree Forest**

By Charlene Farris

**NAME CHANGE**

After much discussion among our board members, we have decided to change the name of our group to Friends of the Arizona Joshua Tree Forest. This change is due to the comments from many people in and out of the state regarding confusion about which Joshua Tree Forest we are representing. We will now be using the name “Arizona Joshua Tree Forest located on the Grapevine Mesa”.

**LAND DONATION**

We were pleased to accept a land donation of 5 acres from supporters of The Arizona Joshua Tree Forest. We closed escrow on the 5 acres the last of March. The land lies within the forest boundaries and is located in a section of private land south of Diamond Bar Road and about a mile west of Grand Canyon West Ranch. Our many thanks to Bob Damboski and Fran Hardy for their generous donation. We are always interested in land donation within the forest. If you have an interest or know someone that has an interest in donating land to our organization, please contact us at [info@joshuatreeforest.org](mailto:info@joshuatreeforest.org).

**ILLEGAL SHOOTING RANGE**

While monitoring the Forest within the National Natural Landmark (NNL) we came across what appeared to be an illegal shooting range, with large painted targets on rock outcroppings and bullet holes in the rocks. We contacted BLM law enforcement officers. After further site inspection it was determined we would remove the targets and trash at the BLM’s direction. The target site has been cleaned up. We will continue to monitor the site. Should you see any

such disturbance in the forest, please contact us.

**RENDEZVOUS**

Over the weekend of March 13-15 our entire board traveled to La Cruces, New Mexico for the 2015 Friends Network Rendezvous. This gathering of Friends groups from all over the Southwest is sponsored by the Conservation Lands Foundation. We participated in many seminars to learn more about how to effectively protect our unique Arizona Joshua Tree Forest. We met many new people who encouraged and energized us with new ideas. We also participated in an amazing hike in the newly designed Organ Mountain Desert Peaks National Monument. Great weekend all around!

**KIOSK**

On June 30, 2015 the Friends teamed up with BLM to install a 2-sided kiosk near the intersection of Pierce Ferry and Diamond Bar Roads. We have placed many informative posters in the kiosk which include information on the plants and animals in the forest, history of the area and local maps. The bridge has been installed and makes the kiosk accessible. Please take the time to visit the kiosk site and spread the word!

**FOREST SURVEILLANCE**

Last spring some of our members noticed that one of the tour company vehicles was illegally using a road through the National Natural Landmark (NNL) section of our Arizona Joshua

Tree Forest. Commercial enterprises cannot use public lands without a permit. The Kingman BLM Law Enforcement officer, Carrie Wostal, determined that no permit was in place, so she scheduled time for on-site surveillance of the road in question. Some of our board members volunteered to help with her efforts. After many hours of watching the road over several days, we finally observed one of the tour vehicles in the forest, so Officer Wostal stopped and spoke to the driver. The driver did not have a permit in the vehicle. She contacted the tour company owner and resolved the issue. We have continued to monitor the forest and have not seen any of the tour vehicles in the NNL.

**STRATEGIC PLANNING SESSIONS**

To become more efficient in our efforts, our board decided to use grant funds to hire a strategic planner. Our goals for this process were to develop a plan which included mission and value statements, three year goals and objectives for activities and projects, and charts with specific tasks assigned to each of us. Our board met by teleconference with Susie Amundson, Wise at Work company, for three sessions in August and September. We accomplished all of our goals during these sessions and are currently implementing our new and very organized plan. We are looking forward to much success in the coming year.

**WAYS TO HELP**

We need help with some projects/ activities and we would greatly value your gift of time in the following ways. Please let us know if you can volunteer for:

1. GPS locations
2. Trash pick-up
3. Membership communications
4. Writing articles for the COM newsletter and Monitor.
5. Writing newsletters
6. Monitoring in the Forest

**EXPLORERS/OVER the HILL HIKERS**

By Suzann Newell

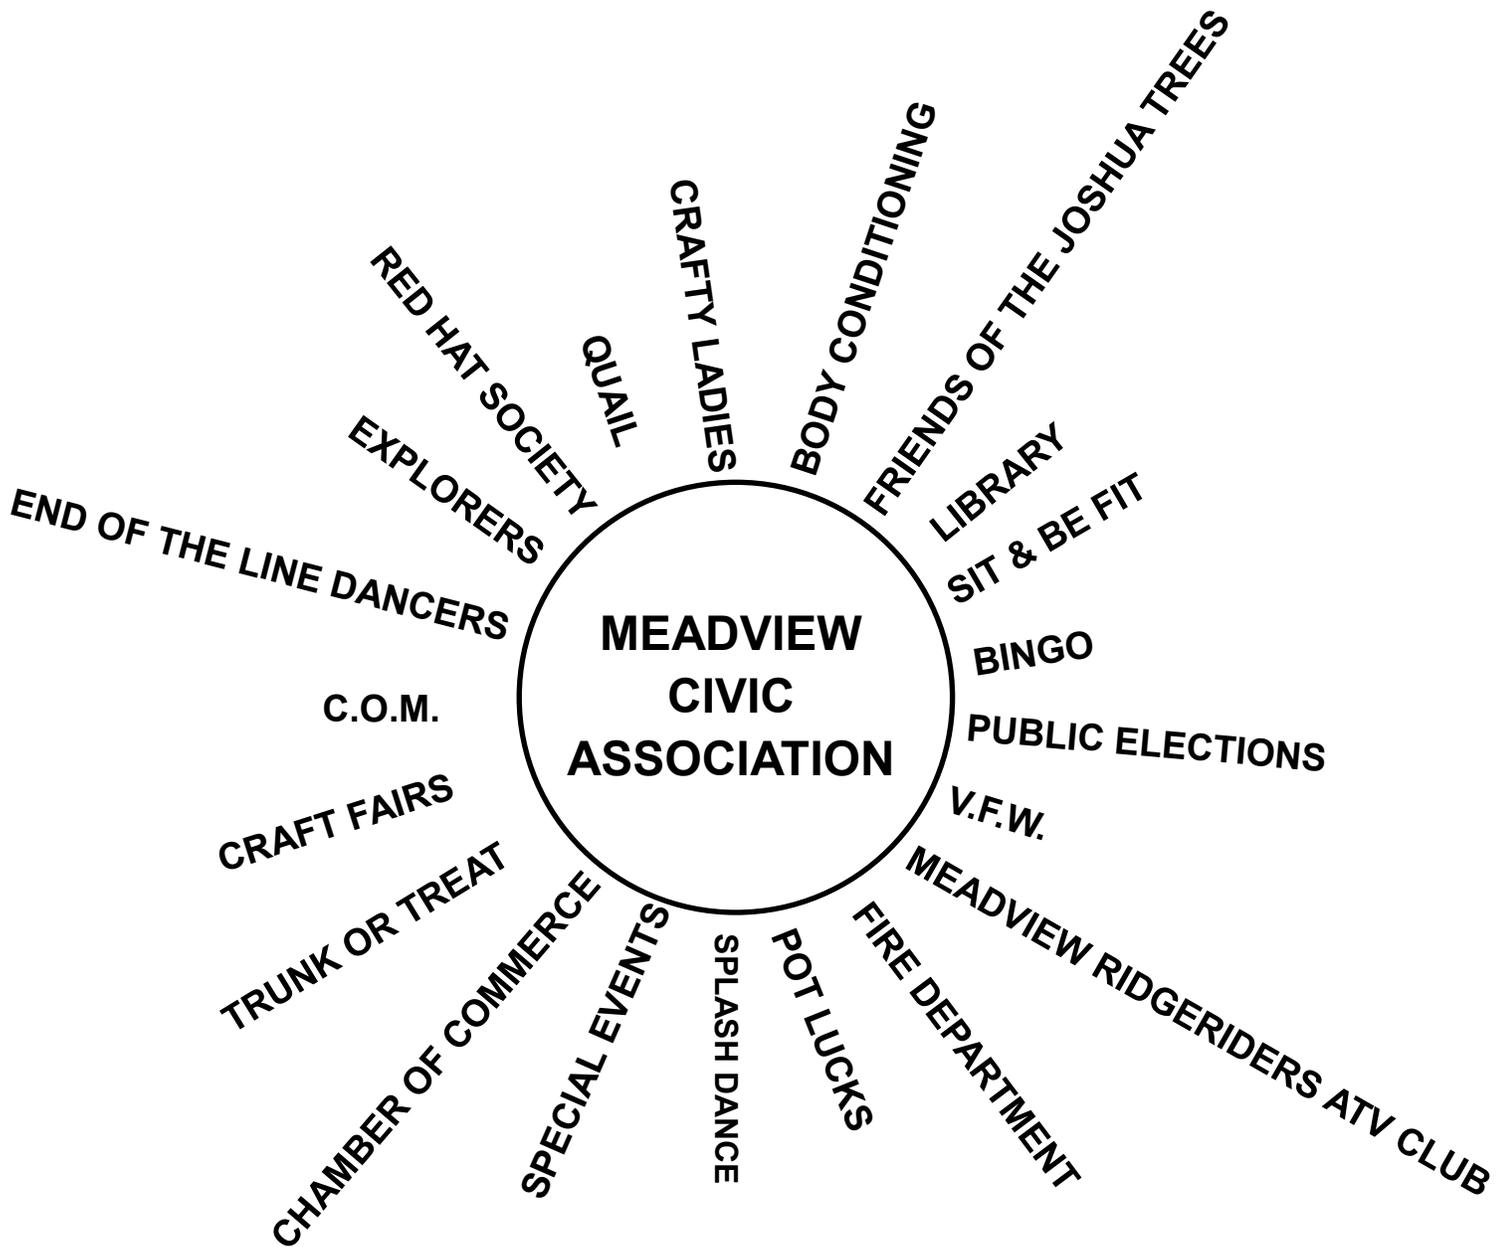

In early November we did a really wild and exciting 4X4 trip up Hell's Canyon. The mountain had been hit by heavy rains and the road was all but washed away. Huge rocks and caved off in steep chasms made for surprising problems around every curve. The next week we gathered at the picnic area above South Cove Boat Ramp and had a pot luck picnic.

In December, we drove another wild and exciting back country road into Secret Pass. That road, in the last seven years, has deteriorated into a jumble of boulders, chasms, and disappearing road. We did reach the creek and hiked down to the steep drop off that, if you look hard enough, you look hard enough you can see Bullhead City. This pass was used in the mid-1800's for wagon loads of gold ore to be off-loaded into ships on the Colorado River to be carried either to England or San Francisco. Next, we drove down the road to hunt for the entrance to Hidden Arch, and we found it! The view from the open side of the arch covers all of Golden Valley, across to Mineral Park and Chloride and east to Coyote Pass.

The group hiked in Grapevine Wash where the cliffs and the sandstone spires along the way make for an enjoyable day in the sun. We held our annual Christmas Pot Luck Dinner and mad plans for a [December 18th trip that will be a hike behind the Mitten Mountain north of Dolan into the Antelope Canyon Wilderness area. We will leave Meadview Time at 9 a.m. On December 21st, the Dolan Trail Group invited us to join them in the opening of their various trails into the Needles and Mitten area. A January 8th trip will leave the MCA at 10 a.m. to drive down Grapevine Wash then hike up the canyon to Grapevine Springs. We will set a trip to visit the Ostrich Ranch north of Dolan with a drive to Grand Canyon Western Ranch for lunch.](#)

Come join us at our regular meetings, the second Wednesday of each month, 6:30 p.m. in the MCA Auditorium. We do not have dues, nor officers and everyone gets to offer hikes and trips for us to consider.
