President's Letter to the Members

Hi All,

Summer is in full swing and a bit early for us. Still, the mornings and anytime after dusk are still pleasant enough for outdoor activities. I am thankful that we have had a breeze to help cool things down even if we have been missing most of the monsoons thus far this year.

As you may have noticed there are a whole slew of new houses being built. Our community is growing fast! We appreciate all the efforts our volunteers have made this spring. The pool looks great, the mini-golf course has been restored, and our maintenance staff are diligently working on the grounds around the MCA and the median on Meadview Blvd.

The board was pleased to see a good turnout at the ice cream social. These types of events are a wonderful way to get to know your neighbors better and to learn about all the things our community has to offer. I encourage everyone to participate in these events and be a more active member of our association.

Look on the bulletin board and the Monitor for upcoming social events. There is always something to do!

Enjoy your summer!

President -
Ron Balsamo

MCA's Miniature Golf Course got some much needed attention and is looking very nice. **The Disk Golf Course** is sporting new flags and disks. Much of the dark trim on the eaves and overhead areas have fresh paint.

Our Board Members, Volunteers and Maintenance Staff have worked hard to help preserve the facility. There are still some rough spots and will forever be maintenance on our aging facility. If you would like to volunteer your time and skills to help with the revitalizing, please leave your name and contact information with the MCA Office Staff.

Dark Sky Application Update -

We are pleased to announce that we have advanced to the next level on our Dark Sky Park application! We have been assigned a mentor from the Dark Sky organization who will help us navigate the next steps. We will need to gather information on the visibility of the night sky, get support letters, sponsor dark sky parties in the forest and be nominated by an official of a Dark Sky designated place. All this will be combined in a report which will be submitted to the committee which decides on designations. This designation would offer further protections for our beautiful Joshua Tree Forest. It is a lengthy process-usually takes 1 to 2 years- but we are up to the task!

Meadview Community Neighborhood Watch

Neighborhood Watch is so much more than a few signs along the road or people peeking out their windows.

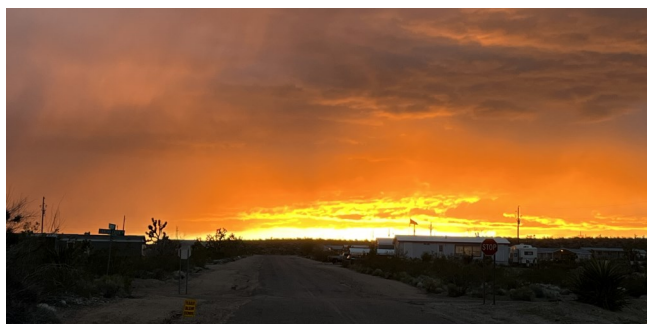

Neighborhood watch is a program where people living in a community work along with local law enforcement to reduce crime, thus improving peace of mind and quality of life.

Neighbors help protect neighbors' homes through observation and communicating their findings to authorities. Whether occupied or vacant, all homes make up our community and keeping every home safer is as simple as **observe and report**.

Everyone in the Meadview area is invited and encouraged to attend meetings. Signing up to participate officially is greatly appreciated.

Guest speakers will share information on related safety subjects of interest, plus community status reports will be discussed.

**Meetings are on the 4th Saturday of each odd month
(Except July) Please join us - Coffee & Treats Provided!**

Traveling Residents are encouraged to call the:
24/7/365 Hotline: 928-564-5270
 before departure– to be added to the

PURPOSE...

The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.

SUGGESTIONS?

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
