President's Letter to the Members *Happy Spring Meadview!*

Hi All,

I've been loving the current weather. Let's hope we stay in the 70's and 80's for a while. Lots of spring cleaning going on and its nice to see folks eating outside at our establishments again. The Board has been super busy getting ready for spring and the pool opening, trying to locate an emergency generator, and discussing the potential cell tower.

That said, we have several community projects where we can really use the help of our members. Our native nature trail could use some help in removing invasive species and identifying areas along the trail where new native species should be planted. Similarly, the median along Meadview Blvd constantly requires attention, especially in the removal of non-native species and trash.

We on the board are making our best efforts to ensure that the pool decking and surrounding area will be up and running and fully renovated by April 1st. We are also actively engaged in seeking state and federal funding that will allow us to create a safe zone for folks who might require power if electricity is lacking due to extreme weather events. Works in progress.

President - Ron Balsamo

I encourage all of you to be engaged and help to contribute to our community. We are stronger when we stand together. If we can focus on improving the lives of all of us I am confident that Meadview and Lake Mead City can continue to be a place that we are happy to live in and be proud of in the years to come.

Ron

Sharon Baur

I have been a resident of Meadview for 55 years. Meadview is our home, both Marvin and I have a long history with the Meadview Community. We knew the original developers, we were here before electricity was brought to Meadview, we were here before Pearce Ferry Road was paved, when the MCA was built and established, when King Tut Mine was still in operation, the Meadview Marina was at the overlook (before Huffer's Market now Gas n Grub) during that time we have watched Meadview grow, there have been ups and downs as with all small communities. Meadview is a unique and special place. Meadview as an inholding in a National Park, an island surrounded by pristine public lands. And as such, our community can grow in a positive way. Simply put there is only so much land that can be purchased on the Grapevine Mesa, property values will increase, and our population will grow. In the past few years our community has attracted energetic business owners, we are now enjoying the benefits of our small businesses, and do not have to drive to Kingman for everything we need.

Should I be elected to serve another term on the MCA Board of Governors I will focus on educating our membership and the community on the benefits of owning a membership lot in the Meadview Civic Association, the history of Meadview and the Meadview Civic Association and the reasons the original developers placed deed restrictions (CCR's Covenants, Conditions and Restrictions) on the lots in the Meadview Subdivision the advantages of having CCR's placed on the properties in the Meadview Subdivision, the duties of the MCA Board of Governors, the By-Laws and Articles of Incorporation, and the rules and regulations for use of the MCA facility. I feel my experience as a longtime resident in Meadview, and my career as a Real Estate Broker/Owner in Meadview, and my extensive knowledge of the MCA, CCR's, By-laws and Articles of Incorporation will be valuable to the MCA Board of Governors, and our membership.

I would appreciate your vote.

William Zajc

Hi my name is Bill Zajc. After graduating from high school in Cleveland, Ohio, I joined the Airforce and served 20 years. I retired after serving 10 years on a top secret program as a Master Sergeant.

I worked at Sky Harbor Airport for 18 years in Phoenix, AZ as General Manager of West Cost Operations. I was responsible for all airports west of the Mississippi, including Hawaii, for maintaining all equipment on the Airport except the Aircraft.

I retired and bought a house in Meadview. I was the quartermaster for the VFW for 2023-24 where I handled operations and all funds coming in and going out. Presently, I hold the position of Senior Vice Commander at the VFW. I am also on the board with the Neighborhood Watch.

I would like to join the MCA's Board and make a positive impact in an effort to benefit our members. My strong skills include: Management, Attention to Detail, and Organization. I intend to learn to be part of continued improvements and benefits for our members.

I want to be part of the solution.

Albert M. Mongold Sr.

Born in El Reno, OK on April 19, 1942

I was an Army Brat until I left home in 1961. I became a Radar Tech at White Sands Missile Range in New Mexico. I spent 10 years in the U.S. Army with the rank of Staff Sergeant.

After 18 years, I retired from Sears as a Senior Tech, and moved to Meadview in 2009, where I reside today.

I feel that my past experiences can add to the MCA Board's efforts to improve Meadview at large. Also, my life history can enhance the common sense necessary for good relations with the board's clients. I have a degree in Human Resources which gives me a broad range of knowledge in operations of an H.O.A.

Participation on the Board would increase my happiness by **improving the lives of my neighbors.**

Judyrose Reed

I am Judith Roseann Reed aka Judyrose.
Born and raised in Oregon

My primary goal in life has always been to help others—especially physically. At age 18, I became a Licensed Practical nurse. After discovering the difference between *health maintenance* and *disease management*, I switched to Natural Health methods.

I opened my nutritional herbal shop, Herbs & I., in 1981. As a sole proprietorship for 16 years, I wore every hat, from management to maintenance. I have taught and provided services on a wide variety of subjects over the past 50 years.

I became politically active in the early 1990s when supplements were being threatened.

I am a 'change agent' ... seeing a problem and pursuing solutions.

I have been wife, mother, nurse, retail business/shop owner, health consultant, records keeper, VP of Chamber of Commerce, Skate park/youth activities director, counselor/group facilitator, seeker of truth and political activist.

Since moving to Meadview, I have become a board member and unit captain of the local Neighborhood Watch, I am active in the VFW auxiliary and a member of the Chamber of Commerce.

My desire to be on the MCA board comes from my concerns regarding the oversight and control the MCA has over our homes. There has been increasing controversy over whether the actions of the board are truly in the best interest of today's Meadview population.

I feel the best way to understand a subject is to get passionately involved. So I am ready to get involved. To investigate and support the needs and wishes of this lovely community that I am now an *invested* part of.

My skills include common sense thinking, seeing the needs of the many not the few, prioritizing quality of life above all else. Teaching, activities direction.

By participating on the MCA Board, I would like the peace of mind that I have done things that have helped advance the joy & wellbeing of the community at large.

Pamala Hutchins

I visited Meadview many times, between 1997 and 2015, at which time I became a full-time resident. I have watched Meadview grow and prosper and am interested in learning the inner workings of the MCA, in order to educate myself and members, improve neighborhoods, and effect a change in the current relationship between the board and members.

I will focus on addressing community concerns, fostering cohesiveness, Improving transparency, advocating for members and the ideas for improvement they may bring to the table; thereby, increasing member involvement and increasing new membership interest.

The Meadview Civic Association is owned by members as is only as strong as it's membership. Members' active involvement and relations between the Board and members are paramount to achieving the goals of the Association; however, the current atmosphere between both groups is currently hostile, at best. I will focus on improving this environment, by advocating for changes members wish to see, within the association. Members' concerns and suggestions are important to the success of the association, without them the MCA would not exist.

Since the age of 15, I have always worked in customer service, though I have served in very diverse positions. Most recently: I served four years as Revenue Collector in the Treasurer's Office and Assistant Sewer Billing Supervisor for the City of Granite City, Illinois; Seventeen years for the Internal Revenue Service as a Manager and Certified Tax Law Training Instructor, in St. Louis, Missouri; two years as a driver and one year as the MODOT Certification Manager for Gem Transportation, in St Louis, Missouri; and two years as a Lead Cashier at the Grand Canyon Western Ranch.

Additional duties I have fulfilled include: Secretary for the Granite City Downtown Neighborhood Restoration Society, Steward and Contract Negotiator for the National Treasury Employees Union; and Reporter for the Granite City Public Television Station.

My vast array of experience and training has prepared me to serve on the Board of Directors in any capacity I am elected to serve under.

I would like to see things go back to the old ways, where members could enjoy the pool and clubhouse without heavy-handed harassment by Board members and staff. I would like to see positive changes that satisfy the majority of all members of the association. This community appears to be divided by the current board and that is something that our wonderful little community does not need.

Voting for me will be voting for the beginning of Making Meadview Great Again!

NORETTA (RITA) CALDWELL

Born and raised in Illinois. Tom and I have two sons and four grandkids.

I served 35 years in the Court Clerk's office in Clark County, Nevada in a number of different positions. In the 15 years there, I was the Legal Supervisor of 26 staff members. Our department handled Civil, Criminal, Probate, Guardianship and Domestic filings as well as calendars for over 50 Judges.

I was very instrumental in getting our Courts to create electronic filings. I was also in charge of the Grand Jury on the Clerk's side. I retired in 2015.

We bought a weekend home in Meadview in 2000, and upon retirement, moved to Meadview permanently with my husband Tom to enjoy a slower, quieter life but found that I enjoyed being active... and found plenty of people here with similar interests. I am on the board of COM. I participate in two quilting groups: Red White and Blue, which makes quilts for Veterans; and Busy Hands. I also participate in three women's Bunko clubs. I enjoy the activities of the MCA – playing Pickleball regularly and using the pool in the summer.

My career has prepared me to work well with others – my retirement has shown me that I still want to work with others. I would enjoy continuing to work with the MCA to serve our members and neighbors. In doing so, I would continue helping to keep the MCA financially operational, increase revenue from the delinquent members, and continue getting better rates from the bank. I would put to use my skills handling money and my experience as a board member for both the COM & MCA. I would also like to help **expand creative groups using the facility.**

PURPOSE...

The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.

SUGGESTIONS?

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
