## President’s Letter to the Members

### RECREATION BUILDING CONSIDERED FOR THE MCA

As you may have noticed, the four thousand plus parcels making up the Meadview Civic Association are starting to fill up. Houses that have long been vacant are now being refurbished and occupied. New businesses are also finding their way to Meadview. Along with the growth, a noticeably younger age group are settling into the Meadview population.

Accompanying this growth spurt and our normal diverse weather conditions brings us to the question of the necessity of an extension for the MCA Members’ recreational facilities; an indoor area to promote a more comfortable environment to play table tennis, badminton, pickleball, exercise and dance classes, etc. The additional indoor space could also be used to accommodate the overflow for other activities.

There is a committee presently studying this project. The committee is looking into grants, estimates regarding the cost of maintaining it.

As a member of the MCA, your comments and input are important. Please contact the MCA office through email, telephone, or the use of the MCA Suggestion Box located in the Auditorium.

# **2022 BOARD OF GOVERNORS CANDIDATES**

**NORETTA (RITA) CALDWELL** Born and raised in Illinois. We have two sons and four grandkids. Served 35 years in the Court Clerk’s office in Clark County, Nevada in a number of different positions. In the 15 years there, I was a Legal Supervisor of 26 staff members. Our department handled Civil, Criminal, Probate, Guardianship and Domestic filings and calendars for over 50 Judges. I was also very in getting our Courts creating electronic filings. I was also in charge of the Grand Jury on the Clerk’s side. Retiring in 2015. We bought a weekend home in Meadview in 2000 but upon retirement, I moved to Meadview permanently with my husband Tom, to enjoy a slower, quieter life but found that I enjoyed being active... and found plenty of people here with similar interests. I am on the board of COM. I have participated in two quilting groups, Red White and Blue which makes quilts for Veterans and Busy Hands and three women’s Bunko clubs. I also enjoy the activities of the MCA – playing Pickleball regularly and using the pool in the summer.

**CLYDE (BUTCH) HAGGERTY** I joined the MCA Board of Governors to help share in the responsibilities of the Board Members to make responsible decisions and enforce rules and regulations of the MCA. Also, to help members find resolutions to their problems and situations. I would like to serve on the MCA Architectural Committee and help the residents of Meadview with their Plot Planning. I am thorough, follow the guidelines, and enjoy working with the MCA. I would like to learn more about the community of Meadview.

**LARRY REILLEY** I am thorough, follow the guidelines, and enjoy working with the MCA. I would like to learn more about the community of Meadview. I currently assist with the Architectural Committee to resolve concerns with Plot Plans, We are making good progress addressing issues with MCA but we still have a way to go. I am an Innovative thinker.

**RAYMOND STONE** I have always felt the MCA is the heart of the Meadview Community and separates us in a positive manner from other local communities. Being on the board would allow me to make a positive impact on the community and help protect your property value. I have served 6 years on past Boards as President, Architectural Committee, and various other positions. The community of Meadview is my home and I would like to see the area thrive and a better place to live. I have served on the Architectural Committee and worked with Mohave County in removing some of the abandon property cleanup.

# BLAST FROM THE PAST

## SANDY POINT HIGHWAY IS NEARING COMPLETION

MEADVIEW MONITOR VOL.4 NO.1 JULY 1966

Opening of New Road Set for Late August. Work is progressing rapidly on the “million dollar” Sandy Point Highway. Started last September, construction on this road has been running at a steady pace ever since. Sandy Point Highway is the largest highway project undertaken to date in Arizona by the National Park Service at Lake Mead.

The majority of the remaining work is at a 90 foot cut approximately half way down the 4 ½ mile descent from Pierce Ferry Road to Lake Mead. Heavy equipment, drills and workman have been pounding away steady at this cut for the last six months, and slowly but surely, it is being brought to grade.

While still not ready for tourist traffic, pick-up trucks and four-wheel drive vehicles are already starting to use the highway for weekend access to the lake. Labor Day weekend is expected to kick off the fall season at Lake Mead with heavy usage of the Sandy Point Landing on that weekend is anticipated.

The opening of the new highway and the obvious heavy traffic and usage of the area will stimulate the entire Meadview Development. Development plans are being made now for the area and will be released in late September. Watch you next Meadview Monitor for complete details on this.

**Meadview Civic Association, Inc.**

*The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners.*

*However, Social Membership applications are also cogitated.*

*In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed.*

*They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.*

The MCA's Board of Governors has requested members to fill out a "**Recommendation & Suggestion**" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give you name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
