President’s Letter to the Members

We had a very good turn-out for the first Quarterly General Membership Meeting of 2021. A lot of information was exchanged about the operations of the MCA. We lost a very talented and dedicated member of the Board of Governors, Curtis O’Brien, when he resigned.

This year, like last year, we are having mail in ballots for everyone. Last year, we had a tremendous increase in voter participation when we used the mail in ballots. There are 4 persons running for the Board positions, spaces for write in board members, and one proposal for roof repair. The ballots are required to be mailed out by April 22nd. We are planning on having them in the mail well before that time. These ballots must be received back by May 22nd and any ballots received after that date will not be counted! As required, by the by-laws, we will have our annual meeting May 22nd at 10:00 AM. All ballots will be counted on Friday, May 28th, by a group organized by Gladys Burk. If you do not want to mail in your ballots, they can be delivered in person and placed in the locked ballot box in the MCA office. Once again, no ballots will be counted if not received by the close of business May 22nd.

Found elsewhere, in this Monitor, is a Proposed Architectural Variance for the use of a travel trailer for living in while the owners building a new home. There is also a copy of the permit, that can be approved by the MCA Board Architectural Committee at no charge to the owners.

Just a reminder, the Gas & Grub will have it’s fuel islands shut down from April 19th thru the end of May.

2021 BOARD OF GOVERNORS CANDIDATES ..cont'd

NORETTA (RITA) CALDWELL Born and raised in Illinois. We have two sons and four grandkids. Served 35 years in the Court Clerk's office in Clark County, Nevada in a number of different positions. In the 15 years there, I was a Legal Supervisor of 26 staff members. Our department handled Civil, Criminal, Probate, Guardianship and Domestic filings and calendars for over 50 Judges. I was also very in getting our Courts creating electronic filings. I was also in charge of the Grand Jury on the Clerk's side. Retiring in 2015. We bought a weekend home in Meadview in 2000 but upon retirement, I moved to Meadview permanently with my husband Tom, to enjoy a slower, quieter life but found that I enjoyed being active... and found plenty of people here with similar interests. I am on the board of COM. I have participated in two quilting groups, Red White and Blue which makes quilts for Veterans and Busy Hands and three women's Bunko clubs. I also enjoy the activities of the MCA – playing Pickleball regularly and using the pool in the summer.

RICKY MARSAW (Incumbent) I joined the MCA Board of Governors to help share in the responsibilities of the Board Members to make responsible decisions and enforce rules and regulations of the MCA. Also, to help members find resolutions to their problems and situations. I was a business owner for 25 years, which has awarded me with great social skills and liable personality. I have taken courses for OSHE 10, 20, 30 and several other business related classes. I want to be more involved in our community; to help serve the people in an understanding and fair way.

PAM STEFFEN I am Pam Steffen and I have lived very happily on a full-time basis in Meadview for 10 years with my husband. We enjoy boating, kayaking, hiking and our view of the beautiful cliffs. Prior to retirement, I was an elementary level Special Education teacher working with small groups of children with various learning challenges. It was a rewarding and fulfilling career that I loved for 31 years. I believe that helping our community grow and prosper, and our community members to have healthy options is vitally important. I also believe in the importance of volunteerism and have served the community in many ways. I am a Founding board member of the Friends of AZ Joshua Tree Forest,

the Inspector in charge of all federal and state elections for the Meadview precinct, have served on the Quail Scholarship committee and am an active member of the Meadview Chamber of Commerce. I have volunteered for various Lake Mead National Recreation Area projects such as the annual eagle survey and native plant restoration. I enjoy many activities at the MCA such as pickleball, yoga, line dancing and FIT exercise class. I feel that the MCA could be an even more important part of Meadview life. As an MCA board member, my focus would be to actively pursue input from the members on areas of interest and work toward offering activities that appeal to all members.

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give you name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Architectural Review Requested

PROPOSED ARCHITECTURAL VARIANCE

USE OF TRAVEL TRAILERS DURING CONSTRUCTION

Travel trailers are permitted as temporary residences for one (1) year in conjunction with the construction of a permanent residence or commercial structure on any MCA lot by obtaining a permit from the Meadview Civic Association (MCA). One, Six (6) month extensions may be granted by the MCA.

Once a Building Permit is obtained, and an approved septic system is installed and commercial power is installed, a temporary permit prior to locating the travel trailer on the lot or parcel is required from the Meadview MCA. The travel trailer permitted shall be equipped with kitchen and bathroom facilities. The travel trailer permitted shall be hooked up to a sewage disposal system approved by the County Health Department. No attached structural additions are allowed or permitted. Travel trailers permitted as temporary residences during the construction of a permitted home shall remain roadworthy. If a travel trailer does not meet the above uses and requirements, the travel trailer shall be considered in violation of the MCA Regulations and is subject to removal.

BALLOT PROPOSITION FOR ROOF REPAIR

We have some major roof repairs that need immediate attention. The first part of the repairs is the removal of the metal 2 inch flashing and the replacement of 4 x 6 supports that act as fascia, but is also part of the roof support. The flashing needs to be 4" as the 2" allowed water to collect on top of the 4 x 6 beams, which caused most of the rotting. There are 6 beams that need to be replaced on the West side of the pool, along the covered walkway, and 8 beams that need to be replaced on the south side of the shade area, to the south of the pool. Over the sunroof, next to the restrooms, there are 3 pieces of ¾" plywood that needs to be replaced. All beams will be coated with Copper Coat prior to installation to help protect the wood from rot.

Once the wood beams are replaced and new 4" flashing is installed, all drip edges will have woven APOC 483 fabric imbedded with elastomeric sealant and a minimum of two coats application waterproofing to prevent water getting under the flashing.

The existing roof coating is beyond its life expectancy and is an older type that does not stand up to standing water well. All roofs, except for the maintenance shed and the new patio expansion, will be inspected, cleaned, repair and will have a minimum of 2 coats of waterproofing applied. The APOC 483 fabric will be used where crack and repairs require it.

During roof repairs, the pool will be closed for safety reasons. This should only last 4 or 5 days. Once everything is completed, our maintenance people will paint the new timbers.

This repair should not exceed \$30,000.

Meadview Explorers

By Joan Stoops

The Explorers have been enjoying our beautiful Arizona weather by getting outside and taking a jeep ride down Grapevine Wash to Pierce Ferry for a hot dog lunch with a short hike to the rapids. We also had 12 people hike to "the apartment", a cave by a beautiful overlook of the lake, and hiked a stunning trail down White Rock Canyon to Arizona Hot Springs for a dip in the pools.

On May 11, we will be headed to Laughlin to take the London Bridge Jetboat tour!

Meadview Civic Association, Inc.

The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.
