## *“Meet and Play at the MCA”*

### DISCLAIMER:

The Meadview Monitor is an official publication of the Meadview Civic Association (MCA, a membership association) P.O. Box 217, Meadview, AZ 86444. (928) 564-2313, Fax (928) 564-2520, or email: [mca@citlink.net](mailto:mca@citlink.net) (please put “Meadview Monitor” in the subject line.) Notice in the Meadview Monitor is official notice of any and all proceedings of the MCA. Submissions become the property of The Meadview Monitor. We will not publish any letters or ads that are unsuitable for this newsletter or for which the MCA be held liable. The Board of Governors will make the final decisions on those letters, ads and/or articles that are printed. All articles must have a by-line. All letters must have a name and a traceable address.

## President’s Letter to the Members

The Board of Governors would like to thank the membership for obeying the smoking and alcohol rules.

We are currently working on the relationship between the heat pump, solar panels and the pool to be able to extend the use time of the pool.

We would like to remind the membership that for Thanksgiving Eve, Christmas Eve and New Years Eve the staff’s workday ends at noon and will continue the day **after** Thanksgiving (*Nov. 29<sup>th</sup>*), Christmas (*Dec. 26<sup>th</sup>*) and New Years Day (*Jan. 2<sup>nd</sup>*) with their normally scheduled work days.

Wow, 2019 is almost finished. This years has flown by. It has been a good year for the MCA. We built a patio addition curtesy of a generous member and installed a heat pump for the pool. We also brought Pickleball, Swingball and Tetherball in for the members to enjoy. The office staff gave the MCA Website a facelift, introduced the MCA Blog and the MCA Facebook page.

Larry and Darrell have worked extra hard to maintain and clean the facility, so that its members have a safe and enjoyable time here. Bob and Woody work tirelessly to make sure the facility is secure for the membership. Shannon and Edie work diligently to keep the office running smoothly and continue to research lots with past due balances, in hopes of finding new information. They are quite successful in getting a lot of the past due assessments paid.

The Board of Governors would like to thank the staff for their dedication, hard work, and loyalty to the Meadview Civic Association.

There are 36 days until Thanksgiving Day, 63 days until Christmas Day and 73 days until New Years Day. We wish everyone a wonderful rest of the year. Enjoy your holidays and time spent with family and friends as we close 2019 and welcome 2020.

# Family Freedom Festival

# Friends of the Arizona Joshua Tree Forest

*By Pam Steffen*

It takes a community to raise awareness of the importance of preserving and protecting our public lands. Our Arizona Joshua Tree Forest is part of these public lands which belong to all Americans. Because of the strong commitment of our communities in support of our efforts, we are pleased and honored to announce that we have been selected as Friends Group of the Year by our partner, the Conservation Lands Foundation. Thank you to our dedicated board members, our strong membership, the incredible staff at our Kingman BLM office and our amazing community. We also need to thank the staff at the Conservation Lands Foundation for their guidance, encouragement and confidence in our mission of protecting our magnificent Joshua Tree Forest. Together we are making a difference!

## Facility & Office Hours:

*Facility - 8 a.m. to 10 p.m., 7 days a week*

**Office Hours:** Tuesday - Saturday 9 a.m. to 4:30 p.m., Closed from 12 p.m. to 12:30 p.m. for lunch

## MCA NEW ONLINE BLOG

[www.mca-az.com](http://www.mca-az.com)

The MCA will be installing a Blog on their website to answer questions from MCA members, i.e. various questions on CC&R's, Rules and Regulations, facility use, recreational equipment and amenities, questions on voting, etc.

### ELECTION TIME IS HERE!!

We will have 3 positions on the Board of Governors available come May 23rd.

**Application will be available on January 1st, 2020** for those of you that are interested in joining us on the Board.

The applications, photos and biographies must be in by February 10th to be published in the March/April 2020 Monitor. Any applications, photos, and biographies received after February 10th will be available in the MCA office. No applications will be accepted after April 1, 2020.

### FOR SALE BY OWNER

Meadview, Arizona

Lot 343-26-261 (.34 acre), 585 Hindu Ln  
& 343-26-262 (.35 acre), 555 Hindu Ln

Two parcels adjacent to each other in Unit 2  
Water, power, phone at lot line

Great location to build a home.  
One block to downtown and Civic Center stores, and restaurants.

## WILD HORSES FOUND ALONG STOCKTON HILL ROAD and PIERCE FERRY ROAD

*By Suzann Newell*

Motorists traveling on Stockton Hill or Pierce Ferry roads have been known to find a pinto mare and her baby standing in the middle of the road. The car stops and the driver waits, then taps his horn, then he waits again. When the very young colt finishes lunch, he and his mama amble to the side of the road. This was the scene a few years ago, but it is seldom repeated these last ten years. At the time Meadviewites sometimes saw small groups of horses in our hills along Stockton Hill or Pierce Ferry road. We were told the herd of 75 horses lived in the Cerbat Range between Chloride and Dolan Springs and for a few years a few would roam into the Red Lake area coming down Vock Canyon probably hunting water and graze.

Genetic testing on the herd shows they are related to the Sorraias horses that arrived in America when the Spanish rode up from Mexico. Today there are only about 200 of this breed left in the world.

A spokesperson for the International Society for Protection of Mustangs and Burros has stated that this herd is the most unique wild horse herd in the United States and in 1996 an agreement was presented to develop a Cerbat Mountain Wild Horse Management Plan to preserve this entire herd. The agreement with EPA cooperating with developers and real estate people was to keep developers from encroaching into the herd's roaming area. But since 2001 the horses, themselves, have started moving into developed areas and have become quite adapted to the people living along Pierce Ferry.

According to some wild horse experts, the wild horse is healthier, more intelligent and more adaptable than his domestic counterpart. An average quarter horse continues sound until age seven while the wild horse may stay healthy much longer and may live to be 25 to 30 years old. This herd shows the regale portrait of the Sorraias with graceful necks, refined heads, erect ears, long- legs with small hooves. The herd consisting of bays, grays, pintos, sorrels, and blacks.

### Newly Formed Recreational Committee

Dir. Lynn Wright Murray is heading up a committee that has merged other MCA sport committees from the past. She is

hoping to have another pickleball court install outside and a backboard installed for tennis enthusiast. If you have some ideas let her know through the MCA office or online at [www.mca-az.com](http://www.mca-az.com).

### MCA OPEN TO COMMUNITY ARTISTIC ENDEAVORS

Back in the dark ages of the 1990's the MCA Board of Governors was approached to allow the members of the Meadview Area Chamber of Commerce to use their auditorium to present a one act play featuring Poor Pearl and the Villian. The Board agreed and the actors were chosen: Sully (Walter Sullivan) was the mustache twirling villain; Ted Levandowski was a very buxom Pearl; Dan Schroeder was the hero; Bob Watkins was the grouchy father. The scenery and stage curtains were set up by Jack Newell and Earl Doine printed out all the script for the dithery actors. Suzann Newell, behind the set provided backdrop noise and snow. Bob became ill the night before and Jack had to fill in for him, with no time for rehearsal. The audience was 50 or more nervous theater goers. The story unfolded with the villain demanding rent money from the father, Pearl weeping and begging for more time before the villain would claim 'her' as payment. The play continued in good order until Earl turned two pages rather than one and the action stopped as father asked that the correct page be found. Eventually the hero popped into the scene and paid the rent, then claimed Pearl, socked the villain and all ended happily ever after. The actors took several deserved bows. Thus, was started a short lived history of stage plays at the MCA.

-----  
If this is of interest to you MONITOR readers, I will continue to do short items on the next two stage plays that have been done using the auditorium provided by the MCA. We also did talent shows and musical presentations. And one hilarious Roaring 20's costume potluck for MCA members.

*Suzann Newell*

### Assessment Billings

Members please remember that your **MCA Assessments** are due at the first of the year. If your correct address is on file, you will receive a billing/reminder. When you purchased your property originally you were informed of this responsibility.

If you would like to receive a billing/reminder check with the MCA office staff and review with them your correct information.

## OLYMPIC TORCH CARRIER FROM MEADVIEW AREA

**By Suzann Newell**

Barbara Snelling Pike, resident of Meadview and Lake Mead City, was an Olympic torch bearer on May 6, 1996. She carried that three pound torch from Wal-Mart down Stockton Hill Road to Detroit, with her entire Mount Tipton Elementary School students plus friends and relatives cheering her every step of the way. Snelling-Pike was chosen to represent our area because she had been named a Community Hero for her 25 years of teaching in Kingman and Mount Tipton. She gave unselfishly of her music mastery with classes in voice, and then had evening piano and violin lessons, plus she was the musical director of her church.

A lifetime resident of this area, three of her five children and five grandchildren lived in Kingman. Mount Tipton PTO, students and residents in Dolan, Lake Mead City and Meadview donated to a fund which purchased Snellings' torch which was placed on view at the school. Our community congratulated the choice of this very dedicated and worthy lady.

# PROPOSED BUDGET 2020

**INCOME** \$ 185,000.00

## EXPENSES

**ADMIN** \$ 30,901.35

**MAINT** \$ 21,870.85

**PAYROLL** \$ 117,638.45

**UTILITIES** \$ 21,423.01

**Total EXPENSES** \$ 191,833.66

**Proposed Net Loss** (\$ 6,833.66)

## FREE HOME NEEDED

Meadview is gravely in need of a resident deputy sheriff. It is not certain what kind of a charitable tax deduction can be taken in this matter. It is certain, however, if a deputy sheriff can be enticed to live in Meadview, the “dark powers to be” will lessen their brazen illegal activities. Think it over and send your enquiries to: Meadview Neighborhood Watch, P O Box 609, Meadview, AZ 86444

Photo provided by: Roy Lafleur

## MCA CRAFT FAIR

SATURDAY NOVEMBER 30TH, 2019

9 Am—2 Pm

The MCA’s Board of Governors has requested members to fill out a “**Recommendation & Suggestion**” slip to help the Board of Governors better understand how they can serve the

MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give you name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

# Cecil Elliott

If you didn't know Cecil Elliott, you missed meeting one of the nicest, gentle giants there ever was. If you were fortunate enough to have met Cecil, you had a friend for life, whom you could go to for anything. He was a "go to" guy for any assistance you might need, whether it was lending a hand for a project or lending a tool. You could always count on Cecil.

One of Cecil's greatest assets was his dedication to the Fire District. He was an employee but he probably had more volunteer hours that paid hours. He was on call day and night. If a piece of equipment went down, Cecil would be on scene in a matter of minutes to do his best to remedy the situation. Meadview lost a wonderful man and friend, who will be sorely missed by all who knew and loved him.

Cecil's family would like to thank all that came and showed their love and support at his memorial.

*Bobby Porzio*

## MEADVIEW BAPTIST CHURCH

Please join us, Everyone is Welcome!

Sunday 8:30 am - Praise Team Practice  
9:45 am - Sunday School (For all ages)  
11:00 am - Worship Service (Nursery is provided)

Tuesday 4:00 pm - Praise Team Practice

## Explorers and over the Hill Hikers

*By Suzann Newell*

### Gossips at Hualapai Mountain Park

*Photograph by Ramona Miller*

September was a good hiking month—not too hot and not too cool. We had six cars to drive to New Water Spring, then on to the end of the road heading to the Columbine Falls area. The Joshua's were beautiful. We saw cattle, horses and some cowboys herding a good sized herd. The pink toilet is no longer in place on the edge of the cliff. The next trip was up to Hualapai Park, southeast of Kingman. Six cars carried some enthusiastic hikers. We started with 13 hikers and we actually returned to the picnic area with 13, but only 3 made it the entire 7.5 miles while the rest of us straggled back to the cars singly. The scenery is fantastic, the views for nearly 360 degrees is wonderful. The ponderosa pines in glorious green, the oak and manzanita turning gold and red and the upper reaches still had blooming flowers and mound cactus. This is a beautiful park and well worth your time and effort.

We have set up a drive northeast of White Hills to visit what was the Spear Ranch. Then we have planned a visit to the Dowdy Antique Car Museum. Paul Morgan will lead us on a trip from Upper Trout Creek to Bagdad and we will be cleaning up our section of Pearce Ferry Road on November 14. Some of us will also help do the Friends of the Joshua Tree road cleanup.

Remember, all MCA members are urged to join our group. Our regular meetings are the second Wednesday of each month 6:30 p.m. at the MCA Auditorium.

# BLAST FROM THE PAST

JANUARY/FEBRUARY 2001

## MEADVIEW ROADS

By LUCILLE SUNDE

Someone wrote a parody to the tune of "On Top of Old Smokey", only here in Meadview it is "On Top of Old Grand Wash". One part goes: "Our roads are all bumpy and full of potholes. Getting them fixed is one of our goals" How true. Maybe it should be changed to our #1 Goal.

I have been asked by MCA President, Hart to write an article on this complex subject, probably because I was involved for over 3 years on the Jamaica Drive project. I did learn quite a lot by this experience. At times it was frustrating, but also very interesting. I am far from an expert, but glad to share what I have learned.

I need to say that I have not been authorized by C.O.M. (Community Organization of Meadview) to write about roads. It has traditionally been their effort. I write as a citizen to share information and to offer suggestions. I hope others will write also, the more information we can gather, the better.

One of the most often phrases heard in our community is: "WHY don't THEY fix these roads?" Well, it seems the answer is that the "THEY" is US! How could this be?

Looking back on the days when the developers had the roads bulldozed in the 1960/70s, it seems that they never were up to Mohave County standards; the right width, etc. This applies to roads that were once paved and are now so badly deteriorated after years of neglect. The developers never did the final step (except a very few in the beginning) of petitioning the County for maintenance. So, if it is anyone's fault, it is theirs. No use thinking about blame now. Rather let us take the positive approach of working together to find HOW to go about it.

For years C.O.M. and before the name change, it was R.I.P.P.L.E. (Rural Improvements, Positive Programs, through Local Efforts) who have made many efforts to take on this big project. One example is the repaving of Meadview Boulevard to Haystack. It took from 3 to 4 years with many fund raisers to bring it up to County specifications so it would be

accepted for maintenance. This is the main road in our community. How proud we were of this achievement. For a while after that, we called our "pothole of the week" into RIPPLE. They would fill the hole with blacktop left over until it ran out.

Another often heard remark is: "I pay my taxes, so why don't they fix my roads?" If you look at your tax bill, you will see no mention of roads. It comes from another pot of money. Most of the money goes to places with more population.

Yes, it is true that our roads are a mess! Were some of our pioneers of Meadview (or any of us) told that no one was going to come here to maintain them?

It has become an almost emotional subject as you are trying to get around, knowing your shocks and tires are taking a beating. Sometimes it looks hopeless, but, Jamaica Drive was finally fixed. The Dangerous Intersection deep dips and hills on Pierce Ferry Road smoothed out (who would have thought they would?), thanks to the persistence of letter writing by Fred Wilson. It can be done! The key is to find the way; be diplomatic; and persistent.

Jamaica Drive was a unique situation as this 1100 feet of road is on National Park land. The County was willing to fix it, but it took many meetings and letters to get approval from NPS. This will not be necessary for the rest of Meadview roads (I don't think). They met us on Jamaica Drive and explained there were 2 ways it could be done. First, the County Public Works was called. They were helpful and cooperative.

I live in Unit 4, which is all dirt roads. A few years ago (approx. 5?) we became a 'Road Maintenance District'. Public Works told us how to do this. The County says it is not in the road building business.

First, YOU have to have the roads graded. A few of us paid \$20 a time or two for this. Then Public Works inspects. It only means they may grade

them once or twice a year. This is better than nothing, but it does not help the problem of places where washes cause constant erosion. This is a hazard not only for us who drive them, but also for visitors — especially after dark.

It was the intention of RIPPLE then, now (COM) to continue to go Unit by Unit in an effort to form road districts. Then other projects came along and new people and new ideas.

The other term for getting roads fixed is a 'Road Improvement District'. Roads that were once paved and are badly deteriorated would probably fall into an Improvement District which requires an assessment. Most people don't want that. Property owners who don't live here could be encouraged that improved roads will add to their land value. It seems logical to form committees in each unit as they were developed at different times. In some units there is a mix of once paved and dirt roads. More information needs to be found how the old paved roads problem will be handled. It had been said that besides forming districts by Unit, it could be done by perhaps blocks.

I understand that COM has a road project they are working on. There needs to be more involvement of all of us working together. Attending COM meetings will give you some idea of the latest news on this. We need to get more information on how and what we can do about our roads. County Public Works is willing to meet with us to tell us about needed regulations. Keep in mind that such a meeting is not the place to cry and complain. We CAN accomplish a great deal with a positive attitude and diplomacy.

Thank you to the MCA for publishing this article. It is important to inform residents of Meadview and property owners who do not live here of the road situation. It is not the MCA who is responsible for roads. It is up to US> It we really ever hope to have any road improvements.

It's now 2001. Shall we get busy? Happy Trails to you!

## WHO WAS CARLOS ELMER?

By Suzann Newell

Why are there signs between milepost 33 and 34 on Pierce Ferry Road stating "Joshua View of Carlo Elmer"? The answer can be found in many Arizona Highway Magazines and especially two issues which featured photographs by Elmer which show our Grand Wash Cliffs and the gigantic, picturesque yucca known as the Joshua Tree. His photos have been prominent in many gallery showings and displays and in the Power House Information Center in Kingman.

Elmer arrived in Arizona when he was six. By age 19 he began a long career of contributing stories and photographs to the Arizona Highways Magazine. He graduated from UCLA and during WWII he served in the Army Air Corps. He became interested in the field of optical instrumentation and embarked on a career in the use of photography to measure scientific and engineering data used in rocket testing. He

authored a number of books and his photography appeared in national magazines.

Elmer's love of the Grand Wash Cliffs and the Joshua Tree Forest can be seen in his book MOHAVE COUNTY ARIZONA which is filled with his photographs of our area, beginning with a dirt road view of Pearce Ferry, Bridge Canyon, Hoover Dam, fishing in Iceberg Canyon and the view of the Joshua with a backdrop of the Grand Wash Cliffs. He also did several photographic studies of the MCA facility showing the pool and patio with a backdrop of those Cliffs. Shortly before his death he was once again in our area and dropped into the MCA office. Like the residents of Meadview, he was drawn to this area by the beauty of the Grand Wash Cliffs and the fascinating Joshua Tree.

### CHRISTMAS DECORATED HOUSE TOUR

*If you will be decorating your house and want to be on the tour please call 564-2213 to be on the map. The tour will be starting at the MCA at 6 pm and ending at the MCA for a walk-through of the fabulous display on that property. A tour date to be announced later.*

## American Legion Auxiliary Post #103

November 1 & 2 Yard Sale- Come one, come all! A semiannual fundraiser with all monies going toward "wish lists" for the Boulder City, NV VA Home residents and stocking stuffers.

November 11 Veterans Day- VFW 11014 Auxiliary will host a Family Freedom Festival to showcase all Auxiliary programs- Veteran/Military Support, Americanism, Buddy Poppy/National Home, Hospital, Legislation, Membership, Scholarship, Youth. Vintage Car Parade for Veterans will begin at 10:30, Flag Raising 11:00, Flag retirement/dedication ceremony, K-9 Unit demonstration, Mt. Tipton hydroponics demonstration, Red/White/Blue Quilters, Quail Scholarship, Lake Mohave Rancho Fire Department, Mohave County Representatives, food vendors, crafts, community, games. At 6:00 PM "Adopt a Sailor", a movie Connie Hargreaves assisted in making, with Ethan Peck, Bebe Neuwirth, and Peter Coyote will play at the "Studio" in the Lake Mead Plaza. Join us for a day filled with Patriotism and Community.

VFW National Home for Children in Eaton Rapids, MI will be holding a Santa's Shop for the resident children, who earn credits by volunteering time, have gift items available to purchase, in credits, for family members. A list of suggested items is available at the VFW. All items will be sent to the National Home for Children the week prior to Thanksgiving.

November 20 – Bingo at the Boulder City, NV VA Home 2:00 PM (NV time). Volunteers are greatly appreciated to assist the residents. Commander Pedersen has done well as our newest caller. A special note of thanks to Sue Cardenas for keeping Kenny's legacy alive. Thank you to all in the community who continue to make lap blankets, hats and scarves as gifts for Bingo winners.

November 23 Target Shoot- VFW fundraiser event to raise money to supplement the holiday community food boxes and gift items for community children. Seven categories to compete! \$7.00 per category. Limit of 2 entries per category. Begins at 10:00 AM. Food and soft drinks available on site. Prizes for top 3 in each category.

December 7- Flag raising to recognize Pearl Harbor Day. Join us for a moving memorial with a handwritten journal from a Navy Veteran's perspective on board battleships as America entered WWII. Help us commemorate the "Day that will live in infamy". All flag raisings begin at 11:00 AM. Light luncheon to follow.

The VFW continues to hold Taco Tuesdays, Fish Fridays, usually a meal planned for Wednesday, second Sunday Spaghetti Dinner. November 27 an open-faced turkey sandwich with all the trimmings will be available to ensure a holiday meal to all. Calendars, with food events and activities, are available each month in the hall entry way.

As we head into the holidays, snowbirds return home, family visits or we visit our loved ones, we, at the VFW and Auxiliary, would like to extend our gratitude and best wishes to our community. Pull your loved ones a little closer, and please remember to keep in your prayers those who sleep on the front lines to keep our Freedom. God Bless.

**Meadview Civic Association, Inc.**

*The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.*
