## **President’s Letter to the Members**

### ***Embracing Fall & Community Engagement***

Autumn has arrived with cooler temperatures and stiffer breezes. It’s a time for harvesting and reflection. A time when the ghosts, goblins, and ghouls emerge for their annual feast of candies and treats.

Fall is a season that calls for us to appreciate the beauty of change, the warmth of unity, and the joy of being part of something greater than ourselves. With the cooler weather and crisp autumn breeze, we are presented with countless outdoor options to explore, enjoy, and create cherished memories.

From hiking to picnicking to boating, it’s an excellent time to plan neighborhood gatherings, whether it’s a potluck dinner, a friendly game of pickleball, or a pumpkin-carving contest. I encourage all of you to make the most of this season’s splendor and engage in the great outdoors.

I invite you all to attend our quarterly meetings. These gatherings are open to every member of our community, and they provide a vital platform for us to come together, discuss important matters, and shape the future of our neighborhood. Your voice, ideas, and contributions matter. By participating, you play a crucial role in guiding the direction of our community, ensuring that it continues to be a place we are proud to call home.

As we embrace the joys of autumn, let us also embrace the idea of community engagement. Let us make a commitment to be a part of the conversations, and to shape the path forward. Your presence and input are invaluable to our community’s growth and prosperity. I extend my warmest wishes for a memorable fall season filled with unity, connection, and meaningful experiences. Together, let’s make this autumn a time to remember, as we actively engage with our community, our neighbors, and the world around us. Thank you for being part of our wonderful community.

Wishing you all a splendid fall season.

~ Ron

## How I arrived in Meadview, AZ

~By Paul Margolies

In the midst of the Covid pandemic, close to my birthday and with the arrival of some unexpected funds burning a hole in my pocket I purchased a large telescope to rekindle my childhood passion for looking up at the moon, stars and planets.

A year later, having fallen down the rabbit hole and accumulating several telescopes, I was beginning to seriously search for a place to retire and pursue my hobby.

I was living and working near Portland, Oregon. Between the often cloudy skies and significant light pollution, I knew a move was in order.

In the meantime, I had developed a serious interest in imaging our sun. So I contacted a well-known solar astrophotographer, Marty Wise, and asked him where I should look for an excellent spot to place my observatory.

Marty came back with Meadview, AZ based on significant research of wind patterns, the abundant sunshine and little light pollution. Marty commented, "Looks like a little gem of a spot for astronomy both day and night".

First thought. Where the heck is Meadview, AZ?

Thus began my internet research and eventually a trip up to Meadview. With a long list of properties to view and after three days of getting frequently lost in my little rented Kia, I stumbled on the perfect site. I knew in an instant this was to be my retirement site.

I have been truly happy with my decision to make Meadview my home. The astronomy has indeed proven to be most excellent. However, the true highlight has been the many fantastic people I have come to call friends. What a wonderful blessed community.

Friends of Arizona

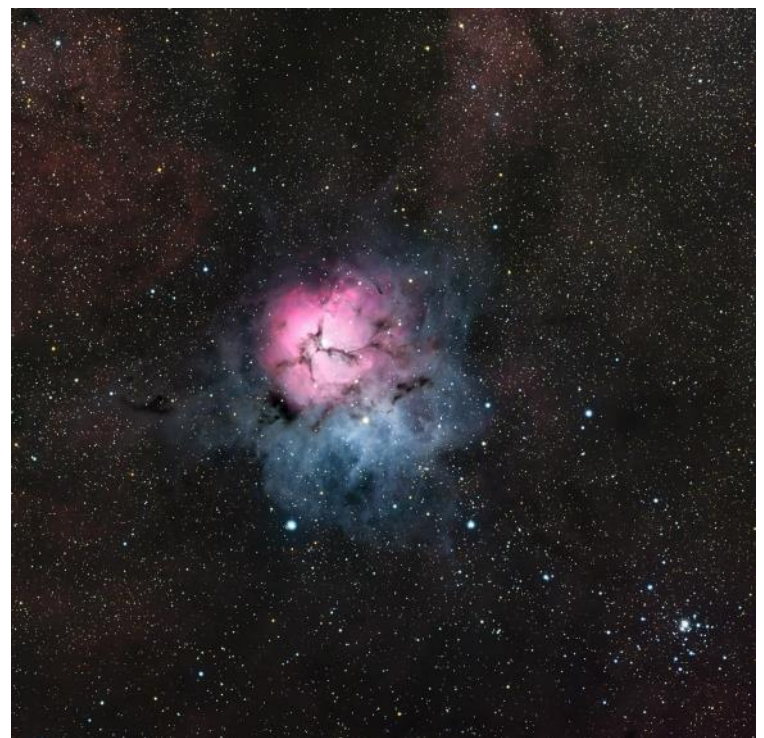

Joshua Tree Forest

The Friends of Arizona Joshua Tree Forest are applying for certification as a Dark Sky Park for our beautiful Joshua Tree Forest Area of Critical Environmental Concern (ACEC). This area is 44,000 acres of the densest part of the forest south of Lake Mead City and east of Pierce Ferry Rd. The certification comes from the International Dark Sky Association (also known as Dark Sky) based in Tucson. This organization is a large nonprofit and has certified many dark sky places such as the Grand Canyon and Flagstaff. They have strict requirements for certification and the application process takes about two years.

A Dark Sky Park is defined as a land possessing an exceptional quality of starry nights and nocturnal environment. Also required is the area needs to be protected for its scientific, natural, educational and cultural heritage resources. Our Joshua Tree Forest certainly meets all those requirements. We have many residents who have moved here to enjoy our magnificent night sky views.

If we are awarded this certification, the benefits for our community are: broadening our base of support for protecting the area, adding another much needed layer of protection, protecting the dark sky for our wildlife, creating opportunities to enjoy the night sky while preserving the natural environment and bringing tourists to Meadview. You can support our efforts by attending our events which will be advertised on Face-book and Instagram. Also, you can look at the **Mohave County Lighting Ordinance** and consider outdoor motion sensor lights as well as being a good neighbor by checking to see that your lights are not shining in another's windows. Lastly, we need evidence of community support in the form of signed support letters. The Outpost has copies you can sign or you can email us for more information.

Meadview, Arizona – 1993

## Rebecca Arlene Boyd

It is with great sadness that we announce the passing of our beloved mother Rebecca Arlene Boyd, at the age of 82, transitioned to heaven on September 26, 2024. Rebecca, affectionately known as Becky, was a long-time resident of Meadview, Arizona. For the last 34 years, she built a beautiful life there with her loving and devoted partner, Curt Harvey.

Becky was born in 1942 to Margaret Ponsy Grant and Theodore Roosevelt Fell in Kewanee, Illinois. She was an only child but cherished many

extended members of her family tree. She had a deep affection for her grandmother, Ellen Francis Eden of Kentucky, that helped raise her as a child.

Becky was known for her strong work ethic, receiving awards in several industries throughout her life. She excelled in all her endeavors. A few notable accomplishments was having the honor of working with Albert Einstein's grandson at Litton Industries, receiving Saleswoman of the Year at Northland Dodge in Columbus, Ohio, and most importantly raising her five beautiful children. She was an extraordinary leader with a reputation as a kind and supportive Manager until her retirement from the Meadview Market after many years of service to the community that she loved.

Becky had a tremendous love for country music, blooming cacti, desert sunsets, beekeeping, the grand wash cliffs, researching and recording her family genealogy, and most of all family gatherings. She was connected to hummingbirds, and they would often sit on her signature red flowered shirt while enjoying time outdoors with Curt. She collected dolls, had an eye for fine crystal dishes, and enjoyed thrifting. Becky was an inspirational woman who triumphed over many hardships and held a fierce and unconditional love for her family. Becky's ability to love and accept people through the trials and tribulations of their lives was remarkable and will be remembered as her most honored family value. The matriarch of the family left her final wishes explaining that she hoped that all her children will love one another and support each other with the love and values that she held most sacred.

Becky is survived by the love of her life, Curt; her loving and devoted children: Larry, Bob, Dale (Kathy), Kindra (Marc) and Diane. Her adoring grandchildren Melissa (Michael), Chelsie, Dakota (Danielle), Larry James (Jennifer), Stephany (Orlando), Richard (Alysia), and Dillon who together, have gifted her with 19 great grandchildren that now carry on her legacy. She was a pillar of strength and love and will be dearly missed by all who knew and loved her. "Country Women Never Really Fall".

A Celebration of Life will be held in November to honor the life of Becky Boyd. The family welcomes your tribute, photos, and memories to be posted to Becky's tribute wall at Rebecca Arlene Boyd Obituary - Visitation & Funeral Information ([suttonmemorialfuneralhome.com](http://suttonmemorialfuneralhome.com)). Arrangements were cared for by Sutton Memorial Funeral Home, Kingman, Arizona.

## **Meadview Area Neighborhood Watch**

Neighborhood Watch is so much more than a few signs along the road or people peeking out their windows.

Neighborhood Watch is a program where people living in a community work along with local law enforcement to reduce crime, thus improving peace of mind and quality of life.

Neighbors help protect neighbors’ homes through observation and communicating their findings to authorities. Whether occupied or vacant, all homes make up our community and keeping every home safer is as simple as **observe and report**.

**Everyone in the Meadview area is invited and encouraged to attend meetings.**

Signing up to participate officially is greatly appreciated.

Guest speakers will share information on related safety subjects of interest.

Community status reports will also be discussed.

**Meetings are at the MCA at 10am Nov 9th Please join us!**

DO YOU...

- Enjoy organizing Events & Activities?
- Have some extra time on your hands?
- Love to VOLUNTEER your time?
- Want to help protect our native plants?

The MCA Board of Governors is actively looking for **Volunteers** that can take on the following positions:

**Events Planner:** This person would be responsible for planning events for the Meadview Civic Association Facilities as well as gaining board approval for each event!

You could be part of bringing **FUN TIMES** back to the MCA and it's members. Our Auditorium, Member's Lounge, Kitchen, Outdoor Spaces and Sports Areas could really use more **ACTION!**

Please help plan the gatherings, activities, games, functions, parties, and more!

**Let's make more GREAT MEMORIES at the MCA!**

**Horticultural Committee:** This group of people would be responsible for creating a **educational program** for our members and the community on the importance of maintaining a **healthy native plant environment**.

The Horticultural Committee would also be responsible for bringing the Board of Governors' attention to the properties that have been completely cleared leaving no vegetation, creating a health hazard for dust, and allowing water to run off of the cleared lot into a neighbor's property, instead of soaking into our aquifer. Helping property owners to understand the **devastating effects of leveling land** would be crucial.

**DID YOU KNOW?** It is stated in ALL Recorded Deed Restrictions for ALL Properties in ALL Units of the Community of Meadview (including non-MCA lots) that grading and clearing shall in ALL cases be held to a **minimum**.

Completely leveling and decimating our native plants is against the CCR's and if you do so, you could be sent a letter of non-compliance and fined for not complying with the CCR's.

**YES—IT IS THAT IMPORTANT!**

### **PURPOSE...**

*The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.*

*In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.*

### **SUGGESTIONS?**

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
