GRANT E. VEILE

I WAS APPOINTED TO THE BOARD OF GOVERNORS BY TOM O'KEEFFE TO FILL A VACANCY. I WAS THEN ELECTED TO THE BOARD AT THE NEXT ANNUAL MEETING. I SERVED THREE YEARS, TWO AS THE PRESIDENT OF THE BOARD OF GOVERNORS AND ONE YEAR AS THE TREASURER.

MY GOAL, AS A MEMBER OF THE BOARD OF GOVERNORS WAS TO GIVE THE MCA A MUCH NEEDED FACT LIFT, AND TO MAKE IT INTO A FACILITY THAT THE MEMBERSHIP COULD BE PROUD AND BE A PART OF.

WE NEED TO CONTINUE THESE EFFORTS EVEN AS SOME MOUNT THEIR ATTACKS AGAINST THE MCA WITH UNFOUNDED ACCUSATIONS AND BOLD FACE LIES.

WE NEED PEOPLE ON THE BOARD OF GOVERNORS THAT WILL SUPPORT THE ARTICLES OF INCORPORATION AND THE MCA BY-LAWS. IF ELECTED I WILL CONTINUE TO DO JUST THAT.

RAYMOND W. STONE

Born and raised in north central IL. I have lived in southern CA and the Four Corners area of New Mexico and am currently a resident of Meadview AZ.

My wife Nancy and I have been married for 48 years. We purchased our Meadview property in 2004 and have lived here permanently since May of 2011.

I have worked in the machining and manufacturing industry for 47 years as a machinist, supervisor and manager before retiring in 2010. My wife and I owned a small restaurant in IL. I also sold cars for a Honda dealership in New Mexico.

My wife and I enjoy the Meadview area and currently plan to spend a very long time here. We feel the MCA is a very important part of the community and feel it is under utilized by the membership. I feel the MCA should be a warm and welcoming place for it's members to enjoy and to be proud of. I also understand that Meadview has a very diverse population in age, background and income also the full time and part-time residents presents it's own set of hurdles to overcome. I have found for the most part the property owners of Meadview are a very reasonable group and understand that compromise is necessary to make the MCA enjoyable for all members.

JOY LUKE

I have been a member of the MCA for nine years. My experience includes serving on a Homeowners Association Board in Las Vegas for 16 years. I feel I could provide a valuable contribution to our Association here in Meadview.

My experience includes office management for a commercial builder in Tucson, Arizona. Additional experience includes Office Manager as well as Secretary to the Vice President for a Benefit Consulting firm serving approximately one-third of the school districts in California.

I served as a Real Estate teacher and trainer in both California and Nevada for 19 years, and taught Court Recording for several years in Southern California.

KENT BARNEY

In April 2011 my wife Linda and I bought our property in Meadview, closed on it in May 2011.

Finally retired and moved to Meadview from Spring Creek (Elko) NV. in Oct. 2011, after the sale of our property in NV.

Retired from Newmont Gold in Carlin, NV: in Sept of 2011 after 21 years. Have 34 years in mining and road construction.

Over the years Linda and I have owned and operated four different business.

With my business management and experience I feel that I can be a helpful asset to the MCA.

I'm looking forward to serving the property owners of the MCA.

RON KING

It is truly ironic how I came to Meadview in the first place!!!

In 1981 I was asked to check on a friend of the family who had a home here is Meadview . My family and I ended up spending a week enjoying all that Meadview has to offer. We went boating, driving off road and looking for a weekend/vacation place for ourselves here, In 1994 we bought our first house here in this community and vacationed ever since. In 2007 my wife, Terri and I retired and became full time residents. After 33 years in law enforcement it was time to go on to a new life, so Terri retired as a 30 year veteran civilian employee working within the same department as my self. We made our home here in Meadview and when the weather did not permit boating we took family and friends to the MCA to avail ourselves of all the facilities. It has always had a family friendly atmosphere. I am asking for your vote, so I can work to maintain the family environment, answer to the property owners (members), and maintain the reputation and integrity of the MCA, and respond to their concerns without discord.

Your vote is important to the community and to us.

Thank you, Ron and Terri King

\$ 5.00 INCREASE ON ANNUAL ASSESSMENT DUES

Dear Members,

The May election will be a very important one for the continued success of our organization. Several new members will be elected to the Board of Governors. Read their biographies carefully and vote for the ones you feel will best support the plans and policies of the MCA.

There are also several changes to the By-Laws. We feel the changes are necessary to improve the wording and the power of the document.

Most importantly, I am asking you to vote for the \$5.00 increase in the yearly assessment. The cost of propane to heat the building, the cost of power and water and general maintenance has gone up.

Please take action in this election. Come to the meeting on May 25th at 10:00 am and VOTE afterwards. If you cannot attend the meeting, write for an absentee ballot and Vote it.

Thank you,

EXPLORERS-OVER the HILL HIKERS

Suzann Newell

Many of us played follow the leader to drive through a beautiful area of the Joshua Tree National Natural Landmark. An entertaining history of the area and why this designation came about for this area really brought home the fact that this is the largest growth of Joshua Trees not only in Arizona but the world.

The weather was perfect and the drive into the Hualapai Mountains and the hike to the Gold King Mansion was a full but fun day.

Chuck Steffen led the group into El Dorado Canyon and down to Chalcedony Wash. The day was cold, but the group saw Big Horn Desert Sheep and that gave everyone a big smile.

Nine cars drove the back road to Temple Bar, then after only one 2 mile wrong turn, we entered Petroglyph Wash, down to Gilbert Canyon to picnic at the ledge that the hikers scrambled over and the hike down to St. James Bay. We did eventually find petroglyphs on our way out to the paved road once again. A hike up the North Monolith with lunch on top overlooking South Cove is always a good day.

Planned trips and hikes were to Pilgrim Mines and another to Music Mountain Mines. March 4 we will hike the rim from the airport and on March 8 we will hike the rim west of Pearce Ferry Road.

All MCA members are welcome to join us at our monthly meetings to plan trips and hikes. We meet in the auditorium at 6:30. Be sure you bring your key card.

RATTLESNAKE AVOIDANCE TRAINING FOR YOUR PET

Rattlesnake Avoidance Training is a safe and proven method to teach your dog to avoid the danger of being bitten by a rattlesnake. The last thing you want is to be surprised by a rattlesnake while you're home, hiking, camping or enjoying other activities with your pet (s).

Medical treatment can be extremely expensive and, for us, is a long way from home. During the training session an e-collar is used. Training is conducted in a safe, controlled environment, ensuring the safety of your dog as well as the safety of the defanged rattlesnakes.

This training is being made available in Meadview on Saturday, April 27, 2013.

Space is limited and training is by appointment only. Be sure to call Mackie at (928) 564-2481 for more information and to make your reservation.

**Happy
Easter**

MEADVIEW QUAIL

The February meeting was attended by 39 members and many wore red attire even if it was a few days after Valentine's Day. Our members were asked to do some brainstorming on what kind of fund raisers we could do next year for the scholarship fund. Some suggested an auction and others a silent auction.

We had a successful See's candy fund raiser this year. Money for the CFIC luncheon was collected and choice of menu also selected. The luncheon will be held in Kingman at the Dam Bar Restaurant on April 9th at 9:30 AM. The luncheon is being hosted by the Kingman Morning Glories.

Our guest speaker was Terri Holloway who spoke to us about quilting and quilts. She brought in many sized quilts that she made or purchased in her travels around the country. She has studied patterns, materials and the circa of some quilts she brought to show Quail. Some quilts were as old as the 1870's.

Terri told members how to wash a quilt and never put the quilts in an agitator type washing machine because they will tear the quilt. Fill the washing machine with water with Oxiclean and lift it up and down about 4 times until no suds appear and put on the spin cycle. Find a place to lay it out to dry. Ivory soap can be used. She also gives appraisals for the value of a quilt.

At the March 19th meeting of Quail at the MCA, members aged eighty or over eighty will be honored by a birthday song and birthday cake. They will relate to members on how many children, grandchildren and great or great-great grandchildren they have. It should be a wonderful celebration. The eight members to be celebrated are; Ardee Buck, Bob Brady, Vergie Barstis, Ellen Ellis, Kitty Hale, Elaine Phebus, Lucille Sunde, and Otto Wittlieb.

The guest speaker will be Adam Barnes who will speak about identity theft and how we can avoid it from happening. Come as an elf, or leprechaun, or Irish or fairy or ____.

COM REPORT

MARCH 2013

GLADYS BURK, PRESIDENT

The first two meetings of 2013 got the year off to a good start. Paige Ayers and Blair Berg told us about all the new Occupational Treatments available at Kingman Regional Medical Center. One new therapy called “Aqua Stretch” sounds wonderful for our achy, chronic pains. There are other new treatments at the facility. Check them out!

The February meeting covered what was happening with the fire district. There were 113 people at the meeting. Supervisor Joy Brotherton told us that the Board of Supervisors had appointed John Flynn as Administrator to work out the problems that have resulted in the closing of the LMRFD. Anthony Turner, local engineer and EMT, spoke about the dedication of the men who served at our fire house. Bobbie Porzio told how the station was remaining open with volunteer fire fighters. Carl Stacy reminded us of the hardships the firemen were facing with no incoming paychecks. They were paying for their own fuel and food to keep coverage in Meadview. The COM Board voted to give \$500.00 to cover the needs of the men working here. The members rose to the occasion by contributing \$1,031 to the cause. There was an immanent need and we stepped in to help our fire fighters. This is a great community!

Our March program will again bring Zenon Mocarski to Meadview. Zen is the Program Director for Game and Fish in Mohave County. He will speak about snakes and lizards. With the warmer weather on the way, we will need to be alert for reptiles on the move. Please come on March 7th to hear his presentation. He is very knowledgeable as well as humorous.

“Project Amigo” is the title of April’s meeting. It is an Educational Foundation in Mexico run by CEO Coke Newell. Yes, he is the son of Jack and Suzann Newell of Meadview. Coke will tell us about how he and his family got involved in this project and what they do. I believe you will enjoy this program very much. We will meet on April 4th. All meetings begin at 10:00 a.m. with refreshments at 9:45.

The Com Board wishes you a “Top of the Morning” St. Patrick’s Day and a Happy Easter.

Library News

By Chris Selinsky

The Meadview Library has a new look with different colors. Finally, there were some warm days and the Mohave County painted the library and the shed. This painting was approved in last year's budget. Thanks, the building looks great!

For those who didn't receive the message that we changed our Friends' meeting in January, we will resume our regular meetings every other third Friday. The next meeting will be March 15 at 10:00 A.M. and we always welcome new members. A single membership is only \$3 and a family membership is \$5. Our main purpose is to provide financial support in areas not included in the regular Mohave County Library District budget, within the meaning of Section 501(c)(3) of the Internal Revenue Code.

We are very grateful and thank everyone who supported us and donated to the Friends' Sweet Treat Festival in February. It was very successful and everybody enjoyed the wonderful, delicious desserts.

The library may get some new computers soon. New books are being catalogued weekly and you can order books online. Don't forget, there are digital downloads for your Nook, Kindle, MP3, Audio and others.

The Artist of the Month feature has been discontinued. Once a month, the Kingman Library District will present a Youth program and an Adult program for Meadview. Usually, Pinkey presents the Adult program. The times will be published in the Community News or look for flyers in the library. These programs are free, fun and are open to the public.

The lively book discussions are becoming more popular and everyone is invited to attend. We meet every other month on the third Friday. The last book, Grand Canyon by Gary McCarthy was very enjoyable. The book is an historical fiction with courageous, exciting characters who experience many hardships but endure. The next Book Club meeting will be on April 19 at 10:00 A.M.

For a reminder, the library hours are: Tues. 10-5 P.M., Thurs. 11-6 P.M. and Sat. 10-4 P.M. If you have any questions, call Pinkey at 564-2535.

This is Aspen Rose Saganski. She was born to Ashley & Christopher Saganski of Coeur d'Alene, ID. She is the Great, Great Granddaughter of Hubert & Shirley Jennings of Meadview.

Aspen weighed 4 lbs. 6oz. and was born January 3, 2013. Hubert & Shirley are proud to have 6 children, 12 grandchildren and 19 great grandchildren and now two great, great grandchildren.
